

A Fond Farewell

This term we are saying goodbye to our Pre-School children, some of whom have been at Blue Bell Woods Nursery for over four years! We are so sad that we have not been able to hold our usual graduation celebrations for the children joining 'Big School', but we were still able to dress up in our caps and gowns.

Nerys and all the staff thank you for the gifts, cards and lovely messages received. We would like to wish all the children who are leaving us every success in the future and we hope you will all keep in touch!

What are we learning at Blue Bell Woods?

We have been exploring different vegetables and learning about growth and healthy eating.

Learning in the EYFS:

Health and self care: Eats a healthy range of foodstuffs and understands need for variety in food.
The World: Developing an understanding of growth, decay and changes over time. Comments and asks questions about aspects of their familiar world such as the place where they live or the natural world.

Making our mark!

We have been using a range of different sized brushes to make marks outside.

Learning in the EYFS

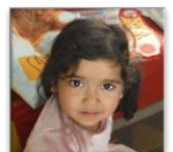

Exploring and using media and materials: Notices and is interested in the effects of making movements which leave marks.

Happy Birthday to children celebrating in August!
