July 2019

What are we learning at Blue Bell Woods?

We have been exploring keys and padlocks, investigating which key belonged to which padlock. This supported our problem solving skills, concentration and involved mathematical language and concepts such as 'open' and 'shut'.

Links to the EYFS:

Understanding- 22-36 months. Developing understanding of simple concepts (e.g. big/little).

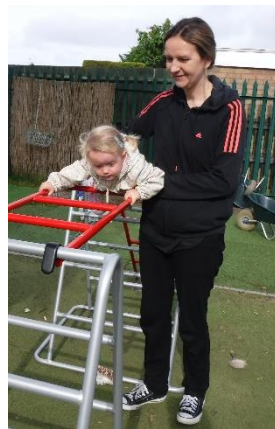

Shape, space and measures-22-36 months. Begins to use the language of size.

The world- 30-50 months. Talks about why things happen and how things work.

Listening and attention- 40-60 months. Maintains attention, concentrates and sits quietly during appropriate activity.

Risk and Challenge on our climbing equipment!

We have been amazed at how the children's confidence and skills have developed on the new climbing frame.

Outside Play- Whatever the weather!

Please provide your child with a coat and wellies to wear at nursery- we will provide nursery over-trousers. We spend a lot of time outside, exploring with water, mud, sand and lots of other messy things, so we suggest that your child does not wear their best clothes to nursery!

Toby came to visit!

We were very excited when Toby the dog came to visit, and we helped Nerys decide where to display a photo of him. Please feel free to send in any photographs of your pets for us to display!

Notices:

- We have lots of unnamed 'Lost Property' in the entrance hall. Please check and take any of your child's belongings before the end of term. Thank you.
- Parking- please avoid 'double parking' near the nursery as it may mean that emergency services cannot pass.

Happy Birthday to children celebrating in July!
