What are we learning at Blue Bell Woods?

We have been learning the names of colours and taking part in colour mixing activities throughout the nursery. We explored and experimented with a range of media and materials; we had great fun squeezing paint from bottles, hand printing and creating our own masterpieces!

Learning in the Early Years Foundation Stage

Moving and handling: 8-20 months: Enjoys the sensory experience of making marks in damp sand, paste or paint. 30-50 months: Draws lines and circles using gross motor movements.

Media and materials: 8-20 months: Notices and is interested in the effects of making movements which leave marks. 30-50 months: Explores colour and how colours can be changed.
