## August / September 2018

### What are we learning at Blue Bell Woods?

During the summer we have been learning about Summer, holidays/travel, growing, planting, sports, textures and colours in the Over 2's Room. We have been learning about textures and features of our bodies in Baby Room.

### Links to the EYFS:

EAD – 8-20 months: Explores and experiments with a range of media through sensory exploration, and using whole body. UW – 30-50m - Can talk about some of the things they have observed such as plants, animals, natural and found objects. EAD – 22-36m - Shows an interest in the way musical instruments sound. EAD – 22-36m - Experiments with blocks, colours and marks.

### Family Partnership:

Thank you to everyone that came to support the children on sports Day. They all tried very hard and had a lovely morning racing and balancing and throwing beanbags into buckets. The multi-sport race at the end was a bit tricky but everyone tried very hard and had lots of fun!

### Staff news:

Due to unforeseen circumstances, Gemma Jones has left the nursery. We wish her all the best for the future.

The Nursery Proprietor, Nerys Evans, has returned to manage the nursery.

If you have any concerns, please contact Nerys, or Julie Alsop, who is the Deputy Manager.
