- Once the 2Help entitlement has been confirmed, the Local Authority will continue to fund a
 place, even if there is a change in circumstances, up until the point when the child becomes
 eligible for the 3- & 4-year-old entitlement
- If a child is claiming the working parent entitlements, they must also have an Eligibility Code issued by HMRC with a validity start date the term **before** they wish to claim funding in line with the term dates above.
- The parent **must** re-confirm the Eligibility Code every 3 months with HMRC.
- The Local Authority will continue to fund a place if the Eligibility Code expires until the end of the code's Grace Period
- If the parent no longer meets the eligibility criteria for 3 & 4 year olds extended hours for working parents or has not re-confirmed their Eligibility code before the grace period has ended, their funding will end at the grace period end date. - The provider can charge parents a deposit to secure their child's free place but should refund the deposit in full within a reasonable time scale.
- Parents should be aware of the nursery's admissions policy and understand the hours/sessions which can be taken as free provision.
- The provider should provide clear, transparent, and itemised invoices so that
 parents can see that they have received their free entitlement completely free of
 charge and understand fees paid for additional hours and services.
- The provider(s) where the child is in attendance on the Headcount Day, will receive the funding entitlement for the whole of the term.

Continued.....

- If a child leaves before Headcount Day, the parent will be liable to pay the provider for the sessions already taken.
- If a child leaves after Headcount Day, funding will not automatically be passed to the new provider. An agreement must be made between providers to transfer any funding if they agree.
- The funding for the term is calculated using the hours attended during Headcount week, funded hours can only be increased after this date in line with the Adjustment policy.
- The parent must make sure that their child attends the hours/sessions that they are claiming funding for and in the agreed pattern of attendance. If the child has persistent non-attendance, WCC reserves the right to re-claim those hours from the provider.
- A child is allowed to take short term absences without the funding being withdrawn e.g. sickness or holidays the nursery will have to agree extended periods with the Early Years Funding office
- The parent should comply with any notice period requirement in line with the contract or agreement they have made with their nursery provider.
- The parent must sign this form each term, any changes to the details on the Parental Declaration Form (PDF) must be initialed and dated by the parent.
