Nursery outings

This month has been filled with trips to our local park and walks into the beautiful Brandon woods to see the lovely Bluebells!

Fine motor skills development!

Mark making allows children to develop hand-eye coordination and control whilst they dab and scribble. As they develop their muscles they will progress from paint splotches, to drawing pencil lines and eventually writing.

Strengthening hand muscles using scissors!

Providing age-appropriate fine motor skills activities.

We encourage self-feeding right from our baby unit; because meal-times are also a great opportunity for learning too!

Early writing skills in our Preschool group.

Look at what else we have been getting up to this month!

Household Support Fund

Warwickshire County Council's Local Welfare Scheme is responsible for the administration of this one-off grant, which aims to support vulnerable Warwickshire residents most in need of financial support with food, energy and water bills.
