Happy Halloween!

We had so much fun dressing up for Halloween this year!

Autumn leaves are falling down...

We have enjoyed exploring beautiful autumnal colours and natural resources across the nursery. The children have observed the changes in our environment such as the trees and leaves changing colour, the colder air and winds! We have collected lots of leaves and twigs which have been used in craft activities making wreaths, hedgehogs, and sensory exploration!

The importance of role play:

- Building emotional awareness through purposeful play.
- Fosters children's self-esteem, creativity, communication skills, and physical development.
 - Exploring the world and learning about peers.
- Encourages creative thinking and helps lay a foundation for lifelong learning.
