Happy birthday to children celebrating in July!

Rowan

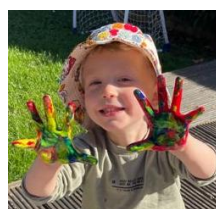

Winnie

Ella

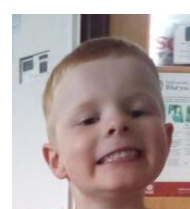

Hugo

Lorcan

Remy

Blake

Reminders

- Please remember to pack named sun hats and lots of spare clothes (**including socks!**) during the summer term.
- We will provide Morrisons SPF 50 suncream as usual, if you wish to provide alternative suncream please inform the office.

Garden fun!

As the weather gets warmer, please take some time to read the Lullaby Trust's advice on keeping babies safe in the summer
Click [here](#) for some great tips and a very helpful video.

We love outside play, and we are lucky that our garden has lots of shaded areas so we can play outside safely in the summer.

We spend a lot of time outside, exploring with paint, water, mud, bark, sand and lots of other messy things, so we suggest that your child does not wear their best clothes to nursery!

Making our mark!

Our Educational Programme

Mark-making isn't just about learning to write our names... it takes place in many forms and all ages take part!

Physical development

0-3 years: Develop manipulation and control. Explore different materials and tools.

3-4 years: Use large muscle movements to wave flags and streamers, paint and make marks.

Literacy

0-3 years: Add some marks to their drawings, which they give meaning to. For example: "That says mummy."

Expressive arts and design

3-4 years: Use some of their print and letter knowledge in their early writing.

0-3 years: Start to make marks intentionally. Explore different materials, using all their senses to investigate them. Manipulate and play with different materials.

3-4 years: Draw with increasing complexity and detail.
