If the situation is unclear, the Nursery will request that the family provide written confirmation of any court orders before the child can attend Nursery.

If a child remains in the Nursery after 6pm and we have not heard from you, we will first call you and then the authorised contacts. We will stay with your child as long as possible, however if the Nursery has not been able to reach you or an authorised contact, we may call the local Families First for Children/ MASH team as appropriate and follow their instructions.

Sickness, medication and sun cream

The Nursery may implement temporary or permanent policies relating to pandemics, infectious diseases or other operational issues. These policies will be effective on the date issued and are subject to change at our sole discretion.

In the event of an emergency, the Nursery will administer first aid as appropriate and/or arrange for the child to be transported to the nearest hospital, accompanied by a senior staff member, who will act 'in loco parentis' until you arrive.

The Nursery will administer medication to your child when a doctor or dentist has prescribed it and you have completed the appropriate medication form. Fees are payable monthly in advance, on or by the 1st of the month. Cash and cheque payments will not be accepted. Please speak to the Nursery Manager/ Office Manager if you have any concerns.

The nursery fee rates depend on attendance patterns. All fees are subject to annual review with a minimum of one calendar month's advance notice for any changes. Fee rates are detailed on the Price List.

Securing a place for your child

To request a place, you must submit a Registration Form and pay a non-refundable registration fee of **£35**.

Children accessing a fully funded place who are not purchasing additional hours, are **not** required to pay a registration fee.

Submitting a Registration Form does not guarantee a place is available. A place can only be secured once the nursery knows which sessions are required by you. If a place is not available, the nursery will contact you as soon as we can offer you a place.

After the nursery has confirmed your child's place, you must provide written notice of at least one calendar month if you decide not to send your child to the nursery or to delay your child's start date to after the scheduled start date. If you choose to alter your start date within one month of the proposed start date you may still be invoiced for the pre-arranged sessions or be required to pay a cancellation fee.

Non-attendance

At Blue Bell Woods Day Nursery, we take business continuity and contingency planning seriously and will make every effort to keep the nursery open and operating our full service, however in some circumstances it may not be possible to do this. The nursery will not refund any fees if the nursery closes due to 'acts of god', infectious diseases, pandemics, environmental factors (such as snow, flooding etc.), emergency repairs, or other situations beyond the nursery's control.

The nursery will not refund any fees if your child is absent due to illness, holiday, or as required under the nursery's policy.

Reduction/Increase/Change of sessions

Subject to availability and the nursery's minimum session requirement, (which is two full days or two half days on differing days), you may reduce, increase or change the number of sessions per week. To reduce the number of sessions, you must give at least one calendar month's written notice (holidays do not count as "reducing sessions"). If you give less than one calendar month written notice, you will pay for the original number of sessions booked. If you reduce sessions, we cannot guarantee that a space will be available should you wish to later increase sessions. The nursery charges for 51 weeks per year (including bank holidays when we are closed).

If you increase your child's sessions mid-month, the nursery will bill you for the actual number of sessions attended. We do not permit core sessions booked to be swapped to other days and any additional sessions required will be charged at the appropriate sessional rates. If previously booked additional sessions are no longer required, you should inform the Nursery Manager/ Office Manager, providing as much notice as possible or you may still be charged.
